Quick Carving Christmas Present Ideas

No 1 - to hold your reading page.... (from <https://www.etsy.com/ca/listing/172427856/thumb-ring-book-page-holder>)

No 2 - Use a discarded kitchen worktop insert (from where the sink goes) to make one or more chopping boards. A jig saw needed for the cut out, simple gouging to smooth the edges

Cut out the piece from the worktop with a jigsaw and round the edges with simple gouge work. Smooth the whole with sandpaper

Finish with an *edible non-toxic oil or wax* (such as beeswax)

The Queen's Carvery

No, not a ten pound special at the local Harvester. Thanks to friend Rob Highmore, these pictures are of the Queens Carving School based at Sandringham. Not a bad set up, Ma'am.....
